The Board shall consist of five Officers and six Directors elected in accordance with these Bylaws. The Board of Directors shall meet twice a month during June through September (approximately two weeks apart) with the final meeting being held at the discretion of the Board of Directors. A complete schedule of the regularly scheduled Board of Directors meetings and the Annual Meeting must be posted at the beginning of each season. Written notice of a regularly scheduled Board of Directors meeting shall be sent by the Secretary at least 48 hours in advance of the meeting to members at their last known address. Notices given under this Section may be given by email.

Written minutes of all regularly scheduled Board of Directors meetings and the Annual Meeting shall be sent by the Secretary within one week after the meeting to members by email.

The Board of Directors may permit any or all Directors to participate in a regular or special meeting by, or conduct the meeting through, the use of any means of communication by which all Directors participating may simultaneously hear each other during the meeting. Section 3

Special meetings of the Board of Directors may be called at any time by the President. The Board may be polled at any time when urgent matters (in the opinion of the majority of the Officers of the Association) arise that would make waiting for the next regular meeting impractical. Section 6

Actions required or permitted to be taken by the Board of Directors may be taken without a meeting if each Director signs a consent describing the action taken or to be taken and delivers it to the Secretary of the Association. At the same time Directors are notified of the consent action, written notice of a consent describing the action to be taken shall be sent by the Secretary to all members by email.

An action taken under this section is the act of the Board of Directors when one or more consents signed by all the Directors are delivered to the Secretary of the Association. The consent may specify the time at which the action is to be effective. At the same time Directors are notified of the consent action, written notice of a consent describing the action to be taken shall be sent by the Secretary to all members by email.

A Director's consent may be withdrawn by a revocation signed by the Director and delivered to the Secretary of the Association prior to delivery to the Secretary of the Association of unrevoked written consents signed by all the Directors. Section 6

The Board of Directors or the Improvements Committee must approve, in writing, plans and specifications for construction or changes to present buildings and the grounds surrounding a member's cottage. All interior or exterior structural or architectural modifications to Association-owned buildings must be approved by the Board of Directors. In considering requests for changes, the Improvements Committee and the Board shall give due regard to the historical and existing character of the Campgrounds. For matters requiring Board approval, work cannot begin before Board approval. Permits may also be required from the Town of Plainville.

Section 7

Leaseholders must keep the grounds leased from the Association and all structures standing on those grounds in good order. When, in the opinion of 2/3 of the quorum present at the Board of Directors meeting, a leaseholder allows either his grounds or building to deteriorate to the point that it detracts from the beauty and safety of the Plainville Camp Grounds, the leaseholder shall be informed in a timely manner by the President verbally and possibly in writing of the specific repairs and groundskeeping that are needed. If an ongoing effort to make the repairs and groundskeeping has not started within 14 calendar days of the written notice, and completed within 30 calendar days, the Board of Directors may cancel the lease unless the Board of Directors grants additional time if the situation warrants.

After June 15 and after proper verbal or written notification, if the cottage owner does not properly maintain the yard around the cottage by mowing the grass, trimming bushes, raking leaves, and removing protective tarpaulins within 14 calendar days of notification, the Grounds Keeper or other assigned person will be asked to perform these actions and the cottage owner billed accordingly.

Section 8

The audit shall be conducted in accordance with written financial audit procedures approved by the Board of Directors

Section 4

Association membership fees and dues shall be due and payable on September 1 for the ensuing year. Association dues, land lease fees, and water and sewer fees that are unpaid on October 1 of that calendar year shall be assessed a late fee and additional assessment each additional month. These fees will be determined by the Board in advance annually. At the discretion of the Board of Directors, and upon a claim by the member of financial hardship, the Board may allow dues, fees, and penalties to be paid by the member in installments, the timing and number of which shall be fixed by the Board in its discretion.

Section 6

Leaseholders who (a) have not completed repairs within the time limits set by the Board of Directors under Article 8, Section 7 or (b) are delinquent by one year for Association dues, fees, penalties, sewer assessment, taxes etc. shall forfeit their lease 30 days after written notification from the Board of Directors is mailed to the leaseholder's last known addresses. In such case, the leaseholder's cottage and all other improvements on the property will become property owned by the Association and will be sold by the Association. Any balance left after paying the leaseholder's indebtedness, expenses of sale, interest and Association legal fees will be paid by the Association to the leaseholder. In implementing this Section, extenuating circumstances may be considered by the Board in its discretion.

Article 10: Bylaws & Miscellany

Section 1

These Bylaws may be altered, amended, repealed, or added to following the affirming vote of not less than two-thirds of the votes cast at the Annual Meeting of the Association, provided members are notified by a notice sent via email to all members and posted on the camp bulletin board at least two weeks prior to the anticipated meeting.

The action to be taken at that time will be decided by the Association members at a duly called meeting. In any such donation of the remaining assets of the Association, the Christian roots and heritage of the Camp Grounds are to be kept in mind in the distribution of the assets.

Article 11: Ground Rules

Section 1

All leaseholders are required to conform to the Association Bylaws.
