Cottage for Sale

Well-maintained, 1 bedroom, 2 story cottage toward the rear of the campground, with expansive deck overlooking wide open area. Plenty of parking.

On the main level, the living area is open to the kitchen which has white cabinets, a full size refrigerator, stove and garbage disposal. Off the kitchen there a 1/2 bath with new vinyl flooring and toilet. A closet/storage area is off the bath. Walls are sheet-rocked and insulated. There is additional storage under the stairs. The home has circuit breakers and updated wiring. Ceilings, walls and exterior have all been repainted within the last 3 years.

The enclosed wrap-around porch with storm windows offers plenty of day light to keep you cozy and warm.

The upstairs bedroom has hardwood floors. The 2nd floor bath has a shower plus full size washer and dryer. A large closet and utility room is off the bedroom. The stairs are easy to climb.

Outdoors there is a large patio and two good-sized outdoor storage areas for lawn furniture or whatever.
